

BRIDGE OF TIME LLC & CONSULTCYNDI LLC

ANNOUNCING: A NEW JOINT VENTURE

DESIGNED WITH YOU IN MIND & BRINGING

THE BEST OF THE BEST FOR YOUR NEW OR ONGOING

CALM CERTIFICATION

CERTIFIED DEMENTIA PRACTITIONER

CONSULTING, PROGRAM DEVELOPMENT, SUPPORT GROUPS, GRIEF SUPPORT & MORE!!!

Lilly Adrian, owner of Bridge of Time and Cyndi Pressler, owner of ConsultCyndi are excited to announce they are joining teams to expand and enhance opportunities for your training and education needs!

Lilly and Cyndi both have extensive career history and experience in the senior living industry. They share similar life experiences, extensive expertise and backgrounds in dementia programming, education and training, sales/marketing and, as well, both have a deep passion for helping others.

Lilly's special gifts in connecting with people and being passionate about their journeys is invaluable in building relationships, a crucial part of building teams, support groups and more. Cyndi brings a level of working knowledge of the senior industry in Texas and enjoys sharing her practical approach to service provision and business management/operations.

Both Lilly and Cyndi enjoy working together along with other like-minded professionals. Collaborating and designing innovative methods and connections for teaching and promoting success to others is their mantra! Combining their level of expertise and knowledge is the 'perfect storm' to usher in a new and refreshing opportunity for "purposeful support" to all they serve!

What does this mean to you? Beginning in June 2024, Cyndi will take the lead in monthly CALM certification course offerings, with Lilly being present as a subject matter expert/speaker/trainer. Lilly will take the lead on continuing her offerings for Certified Dementia Practitioner Training courses. Lilly & Cyndi are on board with: Find the need, Meet the need and Do it with excellence!

Cyndi's CALM training sessions feature Fred Worley and Dotty Acosta, state retired regulatory experts, as well as additional subject matter experts/speakers in each session/topics as outlined and required in the Texas Administrative Code for Assisted Living. Cyndi's philosophy is: learn the regs from the experts and then learn practical, real-life application of those regulations. Learning the 'how to's' of state regulation compliance is 'key' to successful operations and survey preparedness.

Lilly, Cyndi, Fred and Dotty all share common background experience, knowledge and relationships along with many other experts in the industry. Combining all this expertise will create the right environment for positively impacting the world of senior living and care in Texas!

Join Us beginning this June 2024 in celebrating opportunities for expanded growth and enhanced, success oriented support!
